Why Buy NuKeeper NKT Range

VersaCare

The NuKeeper Twin Series is a genuine exercise in downsizing from the outside without downsizing from the inside.

The NuKeeper Twin Series (NKT) is compact in proportion whilst big on capacity. Constructed with Structofoam, using co-polymers for high-impact strength and high-quality recycled plastic with ReFlo Technology. Every detail is considered with the environment and user in mind… Flexi-Front enclosure, rotating side buffers to protect walls and even a Low Level (LL) version when visibility during transit is a consideration. Compact in size… big on storage.

NKT0R
- ✓ Full Height
- ✓ 2 x Twin Storage Shelves

NKT0LLR
- ✓ Low Level (LL)
- ✓ 1 x Twin Storage Shelf

Built to Last
Unique Structofoam construction using co-polymers for high-impact strength.

Sustainably Engineered
Made from high-quality recycled plastic using ReFlo Technology.

Increases Productivity
Perfect for large amounts of linen and supplies.

Ease of Transit
Rotating buffers protects walls and doors from bumps and scrapes.

Total Uniformity
Provides professional approach to integrated system planning.
