Why Buy WBV470NX

A spill happens quickly, cleaning it up does not. Eliminate the risk of slips, trips and falls with no cable, perfect for cleaning up spills in high-traffic areas.

Delivering continuous 40 minutes of cordless freedom in a convenient and versatile design, perfect for quickly and effectively clearing up spillages, leaving floors clean, dry and safe.

Offering a huge 20L wet capacity, the WBV470NX can tackle even bigger spills with the same powerful performance and long-life motor as the WBV370NX.

Wet or dry, the change from one to the other is designed to be simple. Exchange a dry filter for wet safety float valve and a change of floor tool, or vice versa.

The folding handle design allows for easy movement when in use, with compact storage and user-friendly features. Use anywhere, empty quickly and easily, with a rear dump hose facility fitted as standard.

Equipped with our NX300 36V Battery Technology and 400W digital motor, the WBV470NX Pro Cordless Wet Vacuum is part of NX300 Pro Cordless Network.

Perfect for:

- Quick Spill Clean-Ups
- Emergency Leaks
- Entrance Lobbies
- Washrooms & Toilets
